Interest Owner Electronic Funds Transfer/Email Authorization

Please take this opportunity to participate in our Electronic Funds Transfer (EFT) program. This program is part of our continuing effort to provide the best customer service to our owners. Some benefits of direct deposit are the elimination of mailing delays, lost or stolen checks and receipt delays related to address changes. EFT will allow our interest owners to receive an EFT in their designated financial institution at no cost. The EFT will deposit the cash value of your monthly royalty interest payment into your bank account. You will be emailed your revenue detail.
